

Unmatched efficiency.
Unmatched precision.
Unmatched comfort.

Presenting the SL28XCV air conditioner.

This premier air conditioner delivers an efficiency rating of up to 28 SEER. No other air conditioner comes close to this level of efficiency while delivering consistently perfect air. And not only is the SL28XCV part of the Dave Lennox *Signature*® Collection, it's part of the Ultimate Comfort System™, which combines the best of everything Lennox has to offer to create an unprecedented whole-home comfort system.

Air is life. Make it perfect.™

The most precise and efficient air conditioner available.

EFFICIENCY

28 SEER sets a new bar.

58%
saved per year compared
to lower SEER systems*

WHAT IS SEER?

Seasonal Energy Efficiency Ratio is the standard by which all AC units are measured.

Recognized as the Most Efficient of
ENERGY STAR® in 2021

PRECISE CONTROL

In constant motion.

With its variable-speed motor, the SL28XCV keeps air in constant circulation, making the tiniest of adjustments so your air only feels how you want it to feel.

VARIABLE CAPACITY / SL28XCV

Unit runs at low most of the time, using only the amount of energy needed to meet comfort need.

72°/50%
(Temperature/Humidity)

SINGLE STAGE CAPACITY / OTHER AC UNITS

Unit is either on or off, creating wide temperature swings.

72°/50%
(Temperature/Humidity)

COMMUNICATING

Smarter together.

Unlock a world of connectivity by pairing this unit with the Lennox iComfort® S30 ultra smart thermostat. This is more than a mere temperature regulator. It acts as the command center, with the incredible ability to monitor sensors in the SL28XCV and other compatible equipment to react, diagnose and notify you if your system goes out of tune. For added assurance, it can even allow for remote troubleshooting of issues.

MADE TO LAST

Our Uncontested Quantum™ Coil

With years of rigorous testing under the most extreme conditions, our Quantum Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements.

* Based on US National Average

BEYOND QUIET
