reliably efficient

MERIT® SERIES

ML195

Economical,
high-efficiency
gas furnace

Here's an ideal combination of energy efficiency and affordability.

When taking control of your utility bills is a priority, but you don't want to sacrifice comfort or economy, the Merit® Series ML195 furnace is a perfect fit. You can count on the ML195 furnace to keep your home warm and cozy, even on the coldest days, for many years to come.

Money-saving energy efficiency

With energy ratings of up to 95% AFUE (Annual Fuel Utilization Efficiency), you can save thousands of dollars each year on utility bills.*

As reliable as it is efficient

Every component of the ML195 furnace is rigorously tested in our dedicated research lab. The ML195 is protected by a lifetime limited warranty on the heat exchanger and a 10-year limited warranty on all remaining components.**

Economical, high-efficiency gas heating

Duralok Plus™ Heat Exchanger – Made of patented ArmorTuf™ aluminized steel.

SureLight® Ignitor – Silicon nitride construction for long product life and reliable operation.

Stainless Steel Secondary Heat Exchanger – Allows the furnace to reach high efficiency levels by capturing additional heat.

SureLight Integrated Control Board – Ensures full control of furnace operation.

Robust Blower Assembly – Exceeds industry standard airflow for even temperatures and improved comfort.

Durable Steel Cabinet – Made to last, with a resilient and attractive textured-paint finish.

Sealed Blower Compartment – Minimizes losses and maximizes efficiency and comfort. Less than 1% leakage at 1.0" ESP.
